After a massive lay off you should all be ready for the next RCL meet: -

Pretoria Sailing Club
Howards Folly
9th April 2011
14-00 for 14-30 Start

Summer is behind us so let's start the Autumn Series with a vengeance by showing all those serious dinghy sailors we are still the biggest and most enthusiastic class in the country. Blow the cob webs off your trusty RCL, charge the batteries and be there. It is always fun.

See you there
Saturday.
