Bridge Officers Keelboat Week and L26 Nationals 2012

The traditional DAC Inland Keelboat Week was combined with the L26 Nationals and took place at the Vaaldam from 21st to 24th September 2012. 33 boats participated, 26 without the L26's which, was a very disappointing turnout for what used to be a very well supported event. The L26's with 7 entries battled to make up the number to qualify for a National Championship which leads one to suggest that this event needs to take place at the coast where bigger entries might be expected.

The clashing of events – everyone wants to use long weekends, combining Nationals with traditional events and the economy may all be contributing to the declining numbers.

8 Races were sailed, 2 each day in winds that ranged 7.5 to 12.5 knots. There were 4 fleets, L26, Gold Fleet, Silver fleet and Cruising class with 3 separate starts. All courses were Windward Leeward.

Day one where only afternoon racing was scheduled the wind obliged and 2 good races were sailed in times ranging from 50 to 75 minutes

Day two saw the first start on time at 10:00 but we had to wait into the late afternoon until the wind shifted to the North West to get a second race in.

On day three only two races were possible as the wind failed us until well into the afternoon.

Luckily the wind arrived early on day 4 allowing for two races in the morning.

Competition was keen with 6 J22's and 6 Formula One's battling it out in good racing conditions.

Host club DAC put on their usual professional show combined with party and a few late nights.

Austin Daly

Bridge Officer
