South African Sailing invites you to submit nominations for the 2016 Annual Awards covering the period 1 January 2016 to 31 December 2016. This is your chance to recognise the hero's of our sport.

Each member of SAS Sailing may nominate one person for each of the awards. The nomination process closes on 28 February 2017 following which the SAS Council will select a list of finalists for each award. The list of finalists will be published for a final vote for the award winners. The voting period for the finalists will remain open between 8 and 20 March 2017 following which the winner will be determined and announced at an event to be confirmed in April 2017.

Keep in mind, it isn't all about winning the award, but recognising those that have made an impact to our sport. A collection of nominees will be selected to the final shortlist and will be announced as finalists for this annual distinction.
